

Lake Placid Central School District

LPCSD COVID-19 Testing Plan

Testing Protocol

- If any student or staff member exhibits symptoms they will be referred for testing to their medical provider, Adirondack Medical Center, or the High Peaks Health Center. Contact information is listed below.
- The school district or local medical provider is responsible to refer individuals to one of the testing sites.
- To return to school an individual will need a negative COVID-19 test because it is a suspected case due to symptomatic signs, along with documentation of evaluation by a health care provider (health care provider note clearing a person to return to school), **and** symptom resolution.
