The office closes once the late bus has left. Please be sure to pick up your students from clubs by 3:30 and if there are any transportation issues, call the bus garage at 523-4277.

From The Office:

January's PBIS celebration included sledding on the hill. Younger students were partnered up with older ones for a school-wide afternoon of fun.

Stella's Cupboard Continues to be available if you or someone you know could use some help providing food and/or snacks for your family. Please contact Mrs. Brown or Mrs. Franklin if you would like to visit the cupboard.

We are still collecting bottles and cans to help raise money for our playground. Inside the Elementary foyer is a "garbage can" labeled for these items. Please feel free to deposit your recyclable bottles and cans here (but please make sure to NOT place garbage in there)

The Lake Placid School District Board of Education meets on the 1st and 3rd Tuesdays of every month.

We continue with our in class ALICE lessons. A letter detailing ALICE went home from the district office earlier this year. Below is a link to an audio version of a text some classrooms are using to help explain how planning for an emergency can help our students be better prepared.

Congratulations to the 4th grade class, they won the box tops prize and had the opportunity to go tobogganing!

Check out this group who visited me at the toboggan slide today. The fourth grade class won Mrs. Franklin's box top challenge so tobogganing was the prize. They called themselves Mrs Franklins Fearsome Foursome! Our school ROCKS!
