Kindergarten Valentine's Day Activities

Northwood Students Teach Art!

Three seniors from Northwood School came to LPES to teach our students various art lessons. Mrs. Phillion opened her classroom to Northwood allowing the two schools to work together and giving the senior students an opportunity to teach others what they have learned.

The Lake Placid School District Board of Education meets on the 1st and 3rd Tuesdays of every month.

We are still collecting bottles and cans to help raise money for our playground. Inside the Elementary foyer is a “garbage can” labeled for these items. Please feel free to deposit your recyclable bottles and cans here (but please make sure to NOT place garbage in there).

Kindergarten Reading Parade

The third annual Kindergarten Reading Parade took place this week recognizing our Kindergarten students as readers. Each student walked proudly through the hallways as the older students offered high fives and congratulations to them all. Aside from the gift of reading, each student also received a copy of a Piggy and Elephant book. Many families were on hand to participate in the celebration and hear stories from our students.
