| | | |
|-----------------------------|--------|---|
| Friday, February 1, 2019 | Day 2 | No Clubs Scheduled |
| Date: | Day #: | After School Clubs: |
| Monday February 4, 2019 | Day 3 | PE Club, Guitar Club |
| Tuesday, February 5, 2019 | Day 4 | Mentoring, Newspaper Club, Art Club |
| Wednesday, February 6, 2019 | Day 5 | Band, Lego Club |
| Thursday February 7, 2019 | Day 6 | Chorus, Inside/Outside Club/Kindness Club |
| Friday, February 8, 2019 | Day 1 | No Clubs Scheduled |

Please take care of our trails and playground. Whether man or beast, we can all enjoy some time in nature if we take the time to consider others.

The girls are cold but still producing

If you are interested in helping to care for our flock, please see the calendar link below or contact pdamp@lpcsd.org or vkirchner@lpcsd.org

https://docs.google.com/document/d/1rWHbJBrAu7IT7bvUz_K7ERLe3zFNcJ9OPQdQbJQmDAo/edit?usp=sharing

Important Dates:

- Feb 15: half day 11:30 dismissal
- Feb 18-19: Winter Break

Reminders:

The breakfast and lunch menus can be found on our website. Contact Mr. Sean Bavis with any comments or suggestions.

<http://www.lpcsd.org/es-breakfast-lunch-menu/>

The morning drop off loop is for letting students out of the car with the intention of keeping them off the driveway and on the sidewalk. If you want to walk your student to the building please park in the designated Parent Parking Lot. Thank you for keeping our kids safe.

From The Office:

Our PBIS theme of the month:

Tolerance means...
appreciating and respecting
differences in people.

Tolerance is "showing respect for others who are different than me"

The word tolerance comes from the Latin verb tolerare, meaning "to bear." To bear something means to carry a weight or to continue on in the face of pain or irritation. There are two times in particular when tolerance is very important—one is looking past character flaws and bearing with those who irritate you, the other is being respectful and understanding of the differences between people. Tolerance towards others can be difficult. Sometimes it means being kind and respectful to the people who are really irritating. Being tolerant does not mean you must accept disrespectful or bad attitudes. But being a tolerant person does mean encouraging good character in others and yourself.

I WILL:

- Listen to others.
- Remember that not everyone is the same.
- Look for ways to connect with others.
- Know the difference between what is "popular" and what is "right."
- Help others, and myself, grow.

Thank you Families and staff that came out to participate in our first Family Math and Movement Night. Everyone had a good time and we had a great turn out despite the bad weather.

Stella's Cupboard

Thank you to all of you who have sent in food for our food pantry. We will continue collecting food for our newly named pantry. For the remainder of the year our LPES pantry will be called **Stella's Cupboard** as our student's kindness, Stella H's in particular, have inspired a West Virginia church to sponsor the pantry for the remainder of the year. Here is a link to a book being read aloud that teaches us about appropriate food to bring in a cute story called Maddie's Fridge:

The Lake Placid School District Board of Education meets on the 1st and 3rd Tuesdays of every month.

The 46ers Reading program received a shot in the arm this year as Mrs. Fox, Mrs. Paulson and Mrs. Coffin revamped the reading list and Mr. Fenton and some students have been creating an inspirational mural outside the library.

The purpose of the *46er Reading Club* is to challenge students to read 46 books, one for each of the forty-six Adirondack High Peaks. It may take several years to read all 46 books. A student must prove he or she has read each book by passing a short quiz available on the Reading Counts website.

How to Become a 46er Reading Club Member

1. Choose a book from the *46er Reading Club Book List* which is available in the Library. It is only necessary to read one book for each of the 46 mountains. The books get more difficult as the mountains get higher!
2. Once you have read the book, take a quiz available on the **Reading Counts** website (see link to the right). You may have a copy of the book with you to refer to as you take the quiz. If an online quiz is not available on

Reading Counts, let Mrs. Paulson or your teacher know.

3. After you take the Reading Counts quiz, fill out the [Completed Quiz Form](#) and put it in the folder near the circulation desk in the Library. Your results will be recorded on your official *46er Reading Club* check list.
4. Once you have read one book for each of the Adirondack High Peaks (a total of 46 books) and successfully completed a quiz for each book, you are a member of the *46er Reading Club*! All *46 Reading Club* members participate in the annual *46er Reading Club* end of school year event. Congratulations!

Once a 46er, always a 46er and the perks that go with it! For more information contact any of the above named teachers or go to <https://lpe.fehb.org/bin/home>

FLAG FOOTBALL

Grades 4-6

January 27
February 3 and 17

Grades 1-3

February 24

9:00-10:30

Flag Football Clinics

NCCC Gymnasium

Boys and Girls

Free of charge

No equipment needed

No experience necessary

Please bring sneakers

Bring a water bottle

And be ready to
HAVE FUN!!!

Flag football is a physically, emotionally and developmentally appropriate activity for girls and boys.

Flag football allows children an opportunity to be active in an environment that is safe, healthy and motivating.

The clinics will give kids exposure to the game and its concepts.

Each week a new skill will be presented, practiced and used in game play situations.

Questions can be directed to
Eric Bennett bennetteri@slcs.org
Marla McGinnis budbranry@gmail.com

LAKE PLACID™
FAMILY DENTAL
DR. DAVID J. BALESTRINI, D.M.D.

Dear Parent:

February is Children's Dental Health Month. Dr. Balestrini will be offering a free preventative dental program to all 2nd and 3rd graders at Lake Placid Elementary School.

Should you choose to participate in this program, your child will receive a free dental screening (without radiographs) and dental sealants on their first and second permanent molars, if needed. A dental sealant is an acrylic-like material that is painlessly applied to the chewing surfaces of the back teeth. This sealant material forms a barrier that protects teeth from cavity causing bacteria by bonding to tooth surfaces and covering natural depressions and grooves in the teeth.

Due to changes in County Department of Health regulations and equipment limitations we will be unable to provide these services at the schools. Therefore, this free program will be offered at Dr. Balestrini's office on Friday, February 8th. Lake Placid Elementary School will be responsible for bussing your child to our office. Although your school is assisting us by distributing this notice, please address all inquiries directly with our office at the phone number and address below.

Please fill out and return the attached permission slip to your school nurse. Your child will not be treated without a completed permission slip.

Sincerely,

Dr. David J. Balestrini and Team

**LAKE PLACID
FAMILY DENTAL**
DAVID B. RAJESKIN, D.M.D.

2358 Saranac Avenue
Lake Placid, NY 12946

DENTAL SCREENING AND SEALANT PROGRAM CONSENT FORM

Does your child have a disability or chronic disease of which we should be aware, or need premedication for dental care? **YES** **NO** If yes, please describe _____

Does your child have any allergies, particularly to latex? **YES** **NO**
If yes, please describe _____

Name of Child: _____ Age: _____

Date of Birth: _____ Name of School: _____

Grade: _____ Is this your child's first dental visit? **YES** **NO**

Address: _____

I am the parent/guardian/personal representative of _____ (Please print name of minor/child) and there are no court orders now in effect that prohibit me from signing this consent. I do hereby request and authorize the dental staff to perform necessary dental services for the child named above, including the placement of sealants, which are deemed advisable by the doctor.

I understand that this limited care at an access program does not establish a doctor-patient relationship for other purposes. Today's dental screening will be performed without the use of radiographs. (Please have your child see his/her regular dentist for a more complete examination, cleaning and radiographs to check for tooth development and cavities between the teeth.)
