

# Lake Placid Elementary School Newsletter

## For the week of March 27, 2020

Left: Our kitchen staff is busy preparing meals. If you would like delivery during this time please contact Dana Wood at [dwood@lpcsd.org](mailto:dwood@lpcsd.org) or call (518)523-2475.

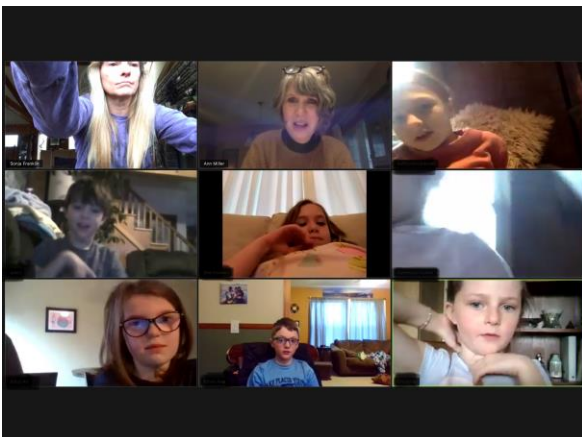

Right: Some teachers are preparing their own food and care package deliveries for students.

The Lake Placid School District would like to thank EVERYONE for their generous donations to our food backpack program. Our first delivery went out this past week which included all of the food donated by members of our community, as well as fresh produce that was donated by ORDA and Northwood School. If you would still like to donate, we are accepting gift cards to Hannaford, Price Chopper and Aldi in any denomination. This will allow families to grab other items like diapers, baby food, meats, produce and needed cleaning supplies. Please consider getting several smaller ones rather than one large one as we are passing them directly on to families.

Again, THANK YOU for supporting our students and for your understanding as we navigate these challenging times.

With the governor's new 100% rule the offices will not be staffed and teachers will be working solely from home. Please use the link to connect to a review of the LPES at [home learning experience plans](#) and be sure to contact your child's individual teacher for more information on their learning options.

If you need the office please feel free to email Mrs. Kulina or myself. If you leave a message on the building's voice mail, we will receive it and respond. Thank you again for your patience through this time. We are here to help navigate it all, please feel free to reach out.
