

# Lake Placid Elementary School Newsletter

December 17, 2020

While celebrating this holiday season, don't forget NYS travel advisory and bans. You may find more information [here](#).

## Principal's News

A reminder that in order to become a remote student, a conversation will need to take place with the building principal BEFORE being allowed to remote into classes.

A big thank you to all that donated to the food pantry and a special thank you to Kahlen, Zen, Nicholas and Mrs. Brown for organizing it. When I asked Kahlen about his experience he said, "it was fun... I like to help others." Nick joined the task because he's "the grandson of Mrs. Young" and is following in her footsteps helping his community. Thank you boys!

## Dear Parents

Reminder - If your child is absent be sure to contact the office. We will need to know the reason for the illness. As per protocols - if a child is absent for COVID related symptoms they will be required to follow the three step process before returning. A multiple day absence without an excuse will be considered as having COVID related symptoms.

Three things must happen before an individual is allowed to return to school:

- 1- The individual must be evaluated by a healthcare provider with appropriate documentation;
- 2- The individual must be tested for COVID-19 and provide documentation of a negative result;
- 3- The individual's symptoms must be clearing up.

Don't forget to report on your child's health condition weekly using [the link](#) or paper copy to the office.
