Upcoming Events

- ◆ Sept 24: Half Day - 11:30 Dismissal

Dear Parents

A reminder, if you are picking up your child from the loop students will report to the gym where they can be distanced while they wait for pick-up. Once the student is signed out, they will be called via walkie talkie to leave. The exterior door will be utilized as weather permits.

The following dismissal schedule for pick up will be utilized:

Kindergarten & Grade 3: 2:45pm

Grade 1 & Grade 4: 2:50pm

Grade 2 & Grade 5: 3:00pm

Have a bussing issue? Call the bus garage at 518-523-4277.

Student Drop-Off: Please use the Student Drop-Off entrance (playground loop) for: Morning drop-off: (8:05am through 8:20am) Please enter the loop driveway. Allow the students to exit the

vehicle at the sidewalk leading up the hill. Students will walk up the sidewalk, away from all cars and utilize the smiley face distance markers and enter through the main entrance. If you need to assist your student, be sure to use the parking area next to the loop. Please do NOT park in the roadway.

Do not park and leave your vehicle in the lane. Instead, park to the left of the loop in the small parking lot. This is to protect our students and yourselves as frustrated drivers will attempt to pass. This process is designed to keep traffic flowing and all students out of the roadways.

Please do not drop off your child before 8:05 as teachers do not report to work before this time.

The 2021 Child Tax Credit: Three Steps to Getting Your Advance Payments

Most eligible families will automatically receive monthly payments. For everyone else, here are three steps to getting your payments.

What should I do to get my advance payments?

If you haven't filed a tax return or registered with the IRS, now is the time to take action. If you're not sure you qualify, the IRS has a three-step process that can help. Each step has a free online tool available only on IRS.gov.

Step 1: See if you qualify using the Child Tax Credit Eligibility Assistant

Though this step is optional, it can be helpful if you are unsure whether you qualify for either the credit or the advance payments. By answering a series of questions on the [Child Tax Credit Eligibility Assistant](#) you can preliminarily find out whether you qualify for the credit and the payments. You may still be able to benefit from the credit even if you aren't working now or didn't work in 2020.

Step 2: Register with the IRS using the Non-filer Sign-up Tool or file a more complete 2020 tax return

If you qualify for the Child Tax Credit or the advance payments but are not required to file a federal tax return for 2020, then you can register using the [Non-filer Sign-up Tool](#). The Tool will also allow you to request the 2020 Recovery Rebate Credit if you didn't get the full amount of your Economic Impact Payments. But you should consider filing a more complete tax return for 2020 if you're eligible for other tax benefits.

Step 3: Monitor payments and update your info using the Child Tax Credit Update Portal

After the IRS processes your tax return or after you register through the Non-filer Sign-up Tool, you can use the [Child Tax Credit Update Portal](#) to monitor or manage your monthly payments. Initially, you can use it to verify eligibility, check the status of your payments, or update your bank account information. You can also use it to opt out or unenroll from receiving monthly payments. Later this year, you will be able to use the Child Tax Credit Update Portal to update your account.

Payment Amounts & Dates

Eligible families will receive advance payments, either by direct deposit or check. Each payment will be up to \$300 per month for each child under age 6 and up to \$250 per month for each child ages 6 through 17.

The IRS will issue advance CTC payments: July 15, Aug. 13, Sept. 15, Oct. 15, Nov. 15 and Dec. 15.
